

## EL PASO QUOTA IS \$2,170,300

Sum Is Larger Than Anticipated; Christie Commands Team No. 8.

El Paso's quota in the Victory loan is \$2,170,300, according to word received last Friday night by R. R. Grandt, chairman of the county executive committee. This is slightly more than the amount of the quota in the fourth loan and is higher than was expected. However, there is no doubt on the part of the workers that the amount will be raised quickly.

Had E. Christie, who led team No. 8 in the fourth Liberty loan drive, will receive commendation of that team in the Victory loan, according to sales manager Maurice Schwartz. George Truitt, who was in the lead in the previous campaign, could not give the campaign his time, will be Mr. Christie's lieutenant.

**Spring Team Recognized.**  
A reorganization of the Spring team has been arranged. E. Abraham and S. N. Abbot, who led teams in the previous campaign, are continuing their forces so that there will be but one team.

A meeting of all captains will be held next Monday morning at 11 o'clock at Liberty station, according to the announcement. Plans of campaign and details of team organization will be promulgated, and instructions as to the campaign will be given.

Leon Dierley, who was raised in France last summer, and who did excellent work during the fourth Liberty loan, when he was detailed to duty here by the government, arrived in the city Saturday morning for a brief visit. Dierley expects to return to Houston, Texas, early next week.

## TEXAS FINISHES WHAT IT STARTS, SAYS HOBBS

Dallas, Tex., April 19.—(Texas finishes anything it starts," said Gov. W. P. Hobby today in a statement relative to the Victory loan. The governor added:

"Texas stood fifth in the whole United States when the government made up a roll of honor showing how many men each state in the union gave to our armed forces during the world war.

"Two hundred and fifty thousand men approximately went from this state to the army for the number sent from Texas exceeded for the number of men in the whole army of the United States previous to the war. To such a people as this, a record to subscribe to the Victory Liberty loan is hardly necessary. Every motive and force that moves humanity, pride, gratitude and all those finer feelings that are known as patriotic duties to a Texan a prompt and generous response."

## MORMON CHURCH BUYS \$250,000 VICTORY BONDS

Salt Lake City, Utah, April 19.—Subscriptions to the Victory Liberty loan have included one for \$250,000 by the Mormon church.

## War Veterans Will Assist In Big Loan Drive

Association Will Consolidate With Statewide Organization.

Members of the World War Veterans' association Friday night volunteered to assist county chairman R. R. Grandt and sales manager Maurice Schwartz, of the Victory loan campaign in their efforts to go "over the top" with El Paso's quota of the loan. The veterans, dressed in the uniform they wore in the military or naval service, will accompany the different campaign committees and will assist in the sale of the bonds.

The volunteers were the result of an appeal by vice president T. J. McCombs, who, the association, asking that as many veterans as possible assist the loan committee in putting the drive over.

**Parade Later.**  
Until additional members of the association are gained, it will not participate in the Victory loan parade. This was decided at the special meeting of the association Friday night.

It is proposed to have a parade on one of the last days of the loan drive and it will include every returned soldier, sailor and marine in El Paso. Vice president McCombs, Lieut. Col. H. P. Stevenson, Lieut. Col. N. L. Powell and chairman Grandt, who spoke at the meeting, were in favor of holding the parade during the last days of the loan drive.

Following the decision to postpone the parade, Col. Stevenson read a telegram from Col. Claude A. Birkhead, chief of the El Paso military, advising him of a convention of veterans of the world war to be held in San Antonio on April 21 and 22 for the purpose of forming an organization of Texas veterans of the world war.

**Will Select Delegates.**  
The San Antonio convention will be for the purpose of selecting 68 delegates to a national convention at St. Louis for the purpose of electing veterans of the world war. Sixty per cent of the delegates will be selected from the county of origin.

**Prison Soldiers.**  
"It is the man behind the bayonet and who has faced bayonets that should have the right to say what should be done in the country in the future," said Col. Stevenson. "Personally it seems to me that the politicians should not run the country but that the men who fought the country's battles should be given the opportunity. That is one of the purposes of this organization."

Mr. Grandt told the veterans that the city was grateful for what they had accomplished and that the city held up its end at home while they were fighting the battles overseas.

The church of Jesus Christ of Latter Day Saints (Mormon), making a total of \$1,250,000 of Liberty bonds subscribed for by the organization. The church has subscribed for \$250,000 of each loan.

## SAN JACINTO DAY IS DECLARED A HOLIDAY

Mayor pro tem R. C. Semple issued a proclamation Saturday morning declaring San Jacinto day, Monday, April 21, a holiday in all the departments of the city.

The council has been called for a special session, however, at 10 o'clock, as several matters will have to be voted upon on that date.

## Council Bans As Bondsmen County, City Officials

A. P. Coles Gives Use Of Ball Park Free For Summer Games.

At a meeting of the mayor pro tem and city council Saturday morning the following motions were adopted: Bids for city dog catcher, deposits for the city funds and for the city printing.

The council passed a resolution that the city would no longer accept a county or city official name on a bond.

Aldermen Semple, Griffith and Pittman, accompanied by H. S. Potter and A. H. Warren of the El Paso Electric light company, were over the ground for the proposed new line to the high school. Nothing definite was arranged. It is announced that the company has recommended the building of the line to their head office in Boston.

**Coles Gives Park Use.**  
A. P. Coles has allowed the city the use of Rio Grande park free for baseball this summer, providing that the city allow the soldiers the use of the ball grounds. H. O. Kane will keep the park in condition. This will also be no expense to the city.

The fencing of the west end of the park is now in the hands of alderman Griffith. The cost of grand stand and fencing, including other incidental expenses will be about \$11000, according to mayor pro tem Semple.

**LINDER WINS MARATHON.**  
Boston, Mass., April 19.—A. Linder, of the athletic club, of Quincy, won the Boston Athletic association 25 mile marathon run today in two hours 20 minutes, 12.5 seconds.

## VICTORY DRIVE IS TO GO OVER EASY

Captains of Various Teams Assert That There Will Not Be Any Trouble.

(Continued from page 1.)  
loan, will mean short work in winding up the drive.

F. M. Wingo said: "For the fifth time, we are called upon to meet the financial needs of the government. Four times we have answered, and answered well, every time, knowing that there would come another call. Now we know that this is the last. We know that the great struggle for liberty is over, and we have won the world's freedom. Why should we not cheerfully and eagerly meet this final call, and finish the job we have started?"

**We Do It in Record Time.**  
"Sure, we'll put it across," said Claiborne Adams. "We'll put it across in record time. We started this thing two years ago, when we didn't know how long it would last. We'll finish it now, and we'll finish it in the same way the boys over there finished it—with a single short drive, which will put over the top in record time."

Karl Dierley said: "This bond issue will be a success, if from no other reason than because it is a good proposition. It bears four percent interest, and is non-taxable. In these days of heavy income taxes, this is a consideration which alone will be sufficient to insure a ready sale, and a speedy finish for the drive."

**Yale and County in Line.**  
C. A. King of Yale, said: "Yale has been over the top in two days in the last campaign. We will do it in less than that this time. If El Paso does well proportionately as Yale and the drive will be over in a few days."

J. R. Bowen, of Clint, asserted: "A good many Clint boys did their part in the first drive, and they have never come back. There will be no question as to what Clint will do. We'll bring them back, and the fervor with which this community will answer the Victory loan call will show how much we think of our boys in France."

J. M. Escalada, of the Island, said: "I expect a speedy winding up to the Victory loan as far as the Island is concerned. With the splendid organization that the workers in the city of El Paso have attained in the two years of the war, I believe there will be no trouble in reaching this country's quota."

Miss L. Escalada, at San Elizario, declared: "We will finish the drive in a day. As for the entire country, there is no doubt as to the success of the loan."

H. M. Webb, at Fabens, said: "El Paso county will be over the top by May 1. In the last drive, and it will be the shortest. Watch us go."

## JAPAN BUYS \$50,000,000 OF U. S. TREASURY CERTIFICATES

Washington, D. C., April 19.—In announcing today that the ninth biweekly auction of treasury certificates aggregated \$44,024,000 on an offering of \$50,000,000, the U. S. treasury department said that the action of the Japanese government, in buying the certificates, was greatly appreciated by the treasury.

Secretary Clegg said the total subscriptions to certificates aggregated \$44,024,000 on an offering of \$50,000,000.

The next regular biweekly offering of certificates, due April 24, will be deferred until May 1, and will serve to refund the balance outstanding of certificates maturing May 6.

**Lillian S. Troy Asserts British Persecuted Her**  
Deported Woman Charges Russian Methods Used; Predicts Revolt.

Hallfax, N. S., April 19.—Miss Lillian S. Troy, of San Francisco, recently deported from England, arrived last night on the steamer Carmania, on her way to New York.

Miss Troy, whose alleged friendship for Baron Lewis von Hoesl, formerly of San Francisco and interned by the British government in August, 1914, is understood to have been one of the causes for her deportation, was bitter in her denunciation of British officials. She declared that she had been persecuted by the English police.

She said she was convinced that the authorities first turned their attention to her because of her alleged friendship for Baron Lewis von Hoesl, a dock strike was in progress in London, and she had been in the city when the strike broke out.
